

# Partner With Us

When you choose to partner with AIM, you're investing in one of the area's most thoughtful, innovative, and collaborative organizations, providing support for people with developmental and intellectual disabilities and acquired brain injury.

**With one single contribution pledged at the beginning of 2024, we will customize your benefits and exposure throughout the entire year, leading to more opportunities for the people we support!**

## **Your contribution provides MORE:**

- More thoughtful, proactive, and person-centered planning
- More innovative solutions
- More meaningful connections
- More unique experiences and adventures
- More creativity to explore personal interests
- More independent lives

## **Make your pledge, and let us do the rest!**

Together, we'll map out your personalized perks and plans for the year, and you can take comfort in knowing that your contribution is making a huge impact in the lives of others.

# An Annual Contribution helps us and you!

We work with each donor individually to create customized opportunities that will last throughout the year.

## **What are the benefits of being an annual sponsor and making your pledge at the beginning of 2024?**

- Your annual contribution is accounted for as we kick off the year, making it easier to plan for both of us.
- We'll make sure you receive the sponsor benefits you want, and we'll give you a first look at ways to uniquely support our upcoming programs and initiatives that are important to you.
- Once we receive your pledge, we can break up payments for your convenience.
